8 DVD-R's - Less Waiting

Thanks to **R-Quest'sTM** innovative board technology, duplicating DVD's no longer have to take days, weeks, or even months! Now with eight, 16x DVD recorders simultaneously copying your master disc at maximized speeds, you get eight DVD's in the same amount of time it takes to burn one DVD! In addition, the compare master and compare copy modes allow DVD and CD images to be verified for complete data integrity assurance.

Easy

Reliable

Accurate

Workhorse

Maximum Capacity

Mastering the **TC-8908TM** will take only minutes. This professional standalone DVD-R duplicator will walk you through the entire process, allowing you to focus on more important items. If capacity is an issue, eight full discs can be written in one pass and can continue to run multiple passes 24 hours a day non-stop! Capacity contained!

DVD's, Cd's, and CD/RW's all in one complete package makes the **TC-8908TM** extremely versatile in today's market. In fact, with **R-Quest'sTM** proprietary board technology, your **TC-8908TM** will never become obsolete! Every machine purchased from **R-QuestTM** will offer an upgrade path, giving you peace of mind and saving you time and money.
